ABOUT US?

Established in 1985, we are a manufacturer and exporter of rubber moulded goods & extruded sections. We specialize in manufacturing articles from all kinds of rubbers such as Natural, Nitrile, Neoprene, Hypalon, EPDM, Silicon, Vi-ton, FKM, FFKM, PU etc. with specialised formulas as per the applications.

We provide the best quality with competitive prices worldwide, through advanced technology and a cost-effective manufacturing process.

Our technical expertise backed by the state-of-the-art manufacturing facility gives us the upper edge to fulfil the market requirement. We are a trusted and reliable manufacturer and supplier for Small, Medium & Large scale companies with their custom requirements.

WHY US?

We have an expert team apt to meet your customised requirements & we design the rubber compounds as per product applications.
